

PUDDLETOWN SURGERY

The Doctors and Nurses cordially invite you to an evening to raise awareness of keeping your heart healthy. The evening will include health talks, together with representatives from various health and lifestyle organizations, healthy refreshments, plus free weight and blood pressure checks.

We look forward to seeing you there

Wednesday 8th September 7.00 - 9.00pm
in
Puddletown Village Hall

*Please come along and use this health opportunity to benefit you
and your family*

If you wish to be sure of a place please contact the Surgery on 01305 848333
