Opening Hours: Monday to Friday 8.30am—6.30pm
Saturday 8.30am—11.00am

Welcome

Puddletown Surgery welcomes patients from Puddletown and surrounding villages, including Tolpuddle, Affpuddle, Briantspuddle, West Stafford, Woodsford, Moreton, Tingleton, Bockhampton, Stinsford, Piddlehinton, Piddletrenthide, Alton Pancras, Plush, Dewlish, Ansty, Cheselbourne, Melcombe Bingham and Milborne St Andrew.

Our team includes three GPs, four Primary Care Nurses, a Health Care Assistant as well as our Dispensary, Reception and Administration staff.

We offer a full general practice service and run specialist clinics for patients with asthma, heart disease, diabetes and other long-term conditions. We offer minor injury and minor surgery services, dietary advice, continence support, family planning, maternity care, well person screening, anticoagulation monitoring, ante and post-natal care, childhood and travel immunisations and smoke stop support.

We also offer extended primary care services, including Chiropractic, Counselling and Citizens Advice Bureau here at the Surgery.

The Practice has an active Patient Participation Group which works with the Practice to continuously improve the quality of our services.

If you live more than one mile from a chemist we can supply your medicines from our Dispensary.

At Puddletown Surgery we aim to treat all our patients promptly, courteously and in complete confidence. We feel it is important you know who you are speaking to, so our Practice staff wear a name badge and identify themselves on the telephone.

Puddletown Surgery is a 'training practice'. This means that hospital doctors wanting to enter general practice spend six months or a year with us in order to gain the experience they need to become family doctors.

The Practice Website

www.puddletownsurgery.co.uk

On our Practice Website you can do an amazing amount of things that we hope will make your life a lot easier, reducing the amount of time you may have to spend in telephoning or visiting the Practice. So, if you have access to the internet, we do urge you to take a look at the following:

Support and/or training can be given. Please ask if you need help.

- **Full details about all our staff, their areas of interest and expertise**
- **Surgery Latest News (useful in the event of an emergency)**

Complaints, Comments and Suggestions

Our aim is to give you the highest possible standard of service. If you have any suggestions for improving the service given, please feel free to tell us. If you are dissatisfied with the way you have been treated you should let us know as soon as possible. Please contact the Practice Manager. A leaflet giving details of our Complaints Procedure is available at Reception.

Patients with Particular Needs

Our surgery is accessible to patients using a wheelchair. Our large car park has specially designated parking spaces reserved for patients displaying a disabled sticker.

Patient Confidentiality

We respect your right to privacy and keep all your health information confidential and secure. Information about you is only available to those involved in your care. You have a right to know what information we hold about you. If you would like to see your records please ask the Practice Manager.

The Practice uses a third party mailing service, UK Mail.

This practice keeps medical records confidential and complies with the General Data Protection Regulation (GDPR). We hold your medical record so that we can provide you with safe care and treatment.

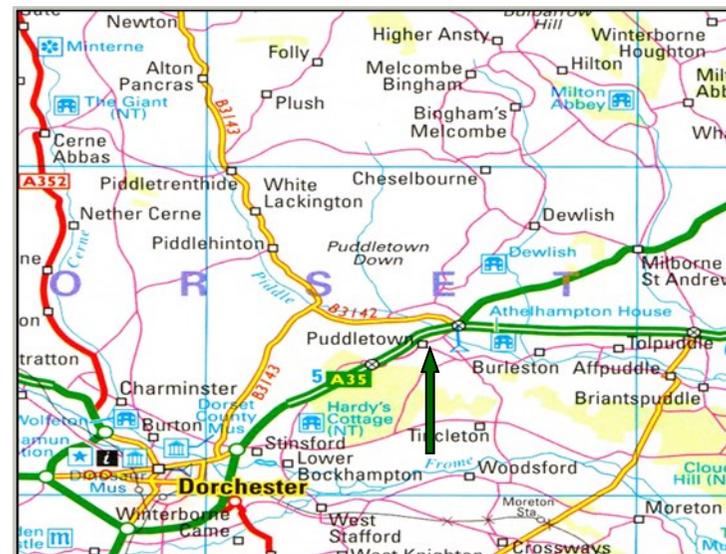

We will also use your information so that this practice can check and review the quality of the care we provide. This helps us to improve our services to you.

We will share relevant information from your medical record with other health or social care staff or organisations when they provide you with care. For example, your GP will share information when they refer you to a specialist in a hospital. Or your GP will send details about your prescription to your chosen pharmacy.

For more information on how we share your information with organisations who are directly involved in your care can be found on our website:

Clinics

We run a range of clinics. For an appointment or further details please call Reception on **(01305) 848333**.

Accidents and Injuries

During our opening hours the Doctors and Nurses are happy to assess injuries and give advice. We can treat most minor trauma and injuries, such as cuts and grazes.

Antenatal - Monday 1.15 – 3.35 pm

This clinic is run by the Midwives. If you become pregnant you will be given a 'booking' appointment at which the Midwife will ask you a few questions and carry out some general health checks. You will be seen regularly throughout your pregnancy here at the Practice.

Child Health – Thursday 9.30 – 11.00 am

This clinic is run by the Health Visitor. New babies are invited for regular check-ups from eight weeks old.

Minor Surgery

Minor operations are carried out by the Doctors in our Treatment Room. Please discuss this with your Doctor who will then arrange for you to be given an appointment.

Diabetes, Asthma, COPD and Coronary Heart Disease

Our Nurses offer advice and general health check-ups to patients diagnosed with diabetes, respiratory problems and heart disease.

Stopping Smoking

Our Health Care Assistant gives advice and support to patients trying to give up smoking.

Health Checks

Our Nurses offer health checks to all adult patients. Please ask at reception if you would like an appointment.

Cervical screening, continence advice and general health checks to women aged 20 – 65.

Patient Rights and Responsibilities

You have a right to expect a high standard of medical care from our Practice and we will try at all times to provide the very best care possible. Please treat staff with courtesy and respect.

As patients you are responsible for your own health and that of any dependents. Please adhere to information and advice given to you by health professionals and help us to keep you healthy.

We take seriously any threatening, abusive or violent behaviour against any of our staff or patients. If a patient is violent or abusive, they will be warned to stop their behaviour. If they persist, we may exercise our right to take action to have them removed, immediately if necessary, from our list of patients

Chaperones

There are occasions when patients need to be assessed by a doctor which might involve intimate examinations. This Practice is committed to putting patients at ease whenever possible and if you wish a chaperone to be present during your examination please ask the doctor.

It may not be possible for a chaperone to be provided immediately and you might have to return for the examination to be carried out at a mutually convenient time.

Help us to help you

- Please be on time for your appointment
- Tell us if you need to cancel your appointment
- Call for a home visit before 10.00 am
- Telephone to speak to the doctor during their phone-in times: 8.30 - 9.00am or 3.30 - 4.00 pm
- Always telephone for your test results
- Keep us up to date with any changes in your address, telephone number, mobile number, email address and Carer details. We regret that the surgery cannot accept responsibility for important clinical information that may go astray due to your failure to notify us.

Thank you

Blood tests

Our Health Care Assistant and Nurses carry out blood tests in the mornings. When you attend for a test of any kind you will be told approximately how long you should expect to wait for the results. Please bear this in mind and only call the surgery after sufficient time has elapsed.

Please phone the surgery to ask for your results, you may need to discuss these with your Doctor during their regular phone-in times; 8.30 – 9.00am daily and 3.30 – 4.00pm (excluding Saturdays).

Please note that we do have a strict policy regarding confidentiality and data protection. In this respect we will only give out results to the person they relate to unless that person has given prior permission for their release or if they are not capable of understanding them.

Home visits

If you are housebound or too ill to come to the surgery a Doctor will visit you at home. Please ring to request a home visit before 10.00am (emergencies excepted). You may be asked for some information about your problem: this is so we can arrange our visits in order of priority.
